## **PARTIES' STIPULATION TO CORRECT THE RECORD**

Pursuant to Federal Rule of Appellate Procedure 10(e)(2)(A), the parties stipulate as follows:

1. Plaintiff-Appellee Facebook, Inc., lodged the Expert Report of Bob Zeidman and Lawrence Melling in the district court, pursuant to then-Chief Judge Ware's standing order requiring that expert reports be lodged but not filed.

2. This report was before the district court when it considered the merits of Facebook's claims. The district court specifically mentioned this report in its order on the parties' cross-motions for summary judgment. *See* Dkt. No. 275, at 15-16 & 15 n.37.

3. This report should therefore be considered part of the record on appeal. *See Riordan v. State Farm Mut. Auto. Ins. Co.*, 589 F.3d 999, 1004 (9th Cir. 2009) (holding that a document that "was never 'filed' but was merely 'lodged' by the parties with the district court" was part of the record on appeal where court records left no doubt that it was before the district court).<sup>1</sup>

---

<sup>1</sup> Because this report was submitted to the district court under seal, the parties will forward it to this Court in paper copy only. Facebook's motion to unseal the portion of this report that will be included in Facebook's Supplemental Excerpts of Record is filed simultaneously with this stipulation.

## **CONCLUSION**

For the foregoing reasons, the record should be corrected to reflect that Expert Report of Bob Zeidman and Lawrence Melling is part of the record on appeal.

Respectfully submitted,

Dated: May 13, 2014
